## LOTS A PASTA, MAKING ROOM FOR MORE

Sedona, AZ, Los Abrigados Resort & Spa – Joey Bistro knows you gotsta, gotsta have lotsa pasta! Is being dished up, come dig in!

Joey Bistro, Sedona’s finest dining experience of Southern Italian Cuisine is serving LOTS A PASTA, Wednesday, Thursday and Sunday nights from 5 p.m. – 9 p.m.

LOTS A PASTA defines the word “special.” For \$9.99, not only does the patron have money to spare in their pocketbook, they’ll choose between six types of pastas, six sauces to compliment, and three vegetables – of thirteen – to create various combinations.

Brooklyn “Da Boss” LoDuca, Los Abrigados Resort & Spa Food and Beverage Manager, says LOTS A PASTA is a huge attraction for tourists *and* locals. People who visit once a year expect to indulge themselves on hearty portions of Joey pasta during their trip, and townspeople know the night as an evening escape to Italy.

“When you have something this good, it only makes sense to broaden it so everyone has an opportunity to come. That means extending the times, in turn extending the great deal,” LoDuca says. “I mean, who can deny heaping plates of assorted pastas and sauces, one of which – the Joey red sauce – is original as the evening itself.”

LOTS A PASTA at Joey Bistro ... ta die for!
