Stakes & Sticks puts the spotlight on *you* for the Oscars!
Sports Bar to make high-definition televisions the 'silver screen'

Sunday, March 7, Los Abridados Resort & Spa is putting “celebrity” back in Stakes & Sticks Sports Bar and Celebrity Grill. The staff of Stakes & Sticks cordially invites you to walk the red carpet and be seated among over 20 High-Definition “silver screens” projecting the 82nd Annual Academy Awards as they highlight an extraordinary evening with movie trivia, prizes, and black tie menu for the most casual atmosphere.

To capture the star essence of the evening, Chef de Cuisine Jedidiah Jones has prepared a theatrical and thespian theme for Stakes & Sticks, yet emphasizes every guest should sit back and enjoy the show. To get things rolling, there are several “Previews,” or appetizers, to choose from followed by “Opening Credits” and “Features,” all of which are spotlighted specials named after this year’s nominated films or actors. Of course, what’s any great production without an encore, which is why Jones has created a score of desserts for “The End.”

“There’s no better place to catch sporting events whether on the big screen or the nearly two dozen high-definitions throughout our place,” says Jason Struble, manager of Stakes & Sticks Sports Bar and Celebrity Grill. “But in this lull between professional football and baseball, where basketball games come up a bit short, what better place to show off the silver screen? Why not make a night for films and let Oscar work his magic?”

Sunday, March 7, at 6 p.m. the gala of grub begins at Stakes & Sticks Sports Bar and Celebrity Grill. Come see the stars at Oscar Night, where box office smashes exist without big budget prices ... where you’ll experience red carpet cuisine and spotlight specials.

Stake & Sticks Sports Bar and Celebrity Grill, located at Los Abridados Resort & Spa at 160 Portal Lane adjacent to Tlaquepaque, is open every day from 11 a.m. until 9 p.m., with Shef’s Bar open until 1 a.m. For more information, call 204-STIX (7849).
